Pepper spray – Mr. Dockins – it was in locker- Emily wne yo get pepper spray. On the way Emily yelled obscenities. Belonged to a friend – was bring to return to a friend – friend did not know. It was in another student car – got a pass to bring it into the building. Guest teacher confronted – Emily denied having the pepper spray – she did bring it into the school – give to another student – not a big deal. In the handbook it is a dangerous material.

Mr. Lytle – definition of weapon – it falls under board policy.

Emily- I peronsally did not think it was a big deal – she brought it in to give to another student. She did not mean it as a weapon. This is the biggest mistake I have ever made – studying and doing my homework – I do not want to get expelled from Lakeville – I have given up and it has made me realize I want to be a better student.

Do you understand why we cannot have pepper spray in the building?
Homework is up to date – and taking finals will continue her credit status.

Admitting a mistake – is a good thing and I appreciate you are taking credit for your actions.

Tiffani Ferrier moved the Board of Education to return to open session at 5:44 p.m. Chad Carriero seconded the motion.

The motion carried 6-0.

Branden McDowell moved the Board of Education to accept the recommendation to approve the suspension of student #00476 for the remainder of the 2016/2017 school year from Lakeville Community Schools. The student can contact Mrs. Fazer to schedule a time to take her final exams the week of June 19, 2017- June 23, 2017. Chad Carriero seconded the motion.
