

Back to School

Welcome 4th graders!!

August 2020

Room 94

Ms. Gerke's Back-to-School Newsletter

HELLO!!!

Dear Families:

I would like to take this opportunity to introduce myself. My name is Ms. Pamela Gerke, your child's 4th grade teacher. I will have the pleasure of working with your child at Columbiaville Elementary. This is my 15th year teaching 4th grade and I really enjoy it! There is so much wonderful growth at this level!

I was a late starter in education. While volunteering in my children's school, I realized my passion for education. I received my Bachelor's in Education from the University of Michigan-Flint and my Master's from Marygrove College in Detroit.

I have four children, Paul, Ashley, Kevin and Jonathan. My oldest son, Paul, works at NBC in New York. My daughter, Ashley is a home health care aide and has blessed me with two beautiful granddaughters. My son, Kevin, is a manager at Jets in Davison and hopes to have his own restaurant someday. My youngest, Jon, graduated this past year. He wants to follow in the footsteps of my oldest and specialize in journalism.

4TH GRADERS ARE AWESOME!!

I am confident the 2020-21 school year is going to be a great year of learning! I believe if we set our goals high, we can achieve anything. The sky is the limit! I want your child to love the learning process and I want to help him/her develop their own motivation for learning. I will do my best to

encourage your child to succeed in their attempts to learn! 😊

I'm looking forward to this school year! In the coming months, we will become a community of learners. We will all grow together, help one another, and be there for each other.

TOGETHER.....WE CAN MAKE A DIFFERENCE!!

Please feel free to contact me with any concerns you have this year. I applaud parental support and communication. Please email me at pgerke@lakevilleschools.org, write a note or give me a call. I will always get back to you, as soon as possible. Please check out my virtual classroom. It will have links to all important information from our school Facebook page to the school menus to lessons. Also, look for my newsletters and notes for important information.

Hugs!

Ms. Gerke 😊
