

WELCOME BACK!!!

My name is Mrs. Burkhardt and I will be your kindergarten teacher this year. I am really excited and looking forward to a fun school year together filled with new friends, adventures and learning. I know that the fun will not begin until you are here!

Our classroom will be loaded with exciting things to do and see, and I am very ready to get started! I know you have wonderful talents, strengths and experiences to share with your new classmates and I! You are uniquely and wonderfully you!!

There are a few things your parents need to know to get our school year started. School starts on Monday, August 24th.

Daily Schedule:

Full Day: 8:30 am (start) and 3:30 pm (dismissal).

Universal Breakfast: Free to all students and served daily in our classroom.

Lunch: Your student may bring a cold lunch to school or purchase a hot lunch from the cafeteria @ \$2.80. Free and reduced lunch forms can be found on our LakeVille District web page.

Rest Time and Snacks: We will have a 30 min rest time and a 15 min snack every day. Please **do not** send pillows, blankets or stuffed animals. Students should bring a nutritious snack.

Volunteering and Parties: There are 3 holidays that we will celebrate with a party; Halloween, Christmas and Valentine's Day. I love having volunteers, you may sign up to help out! To be a volunteer, you must fill out a district volunteer background check form with a photo-copy of a current driver's license.

Kids Club: Before and after school childcare services are available.

I believe parent-teacher communication is extremely important for a successful school year. A daily binder will travel back and forth to school everyday. Inside you can send notes to ask questions, clarify information or let me know important information. If you have any questions you can call the office, text me on the Remind app or email me at school, contact information included. I am looking forward to working with you and your child this school year!

Sincerely,

Mrs. Burkhardt, Columbiaville Elementary
