CHANGES IN MONTHLY BENEFIT: Increases in the Monthly Benefit are effective on the first of the Policy month coinciding with or next following the date of the change, provided the Insured is Actively at Work on the effective date of the change. If the Insured is not Actively at Work on that date, the effective date of the increase in the benefit amount will be deferred until the date the Insured returns to Active Work. Decreases in the Monthly Benefit are effective on the first of the Policy month coinciding with or next following the date the change occurs.

CONTRIBUTIONS: Insured: 0%

Premium contributions will not be included in the Insured's gross income.

For purposes of filing the Insured's Federal Income Tax Return, this means that under the law as of the date this Policy was issued, the Insured's Monthly Benefit might be treated as taxable. It is recommended that the Insured contact his/her personal tax advisor.

DEFINITIONS

"Actively at Work" and "Active Work" mean actually performing on a Full-time basis the material duties pertaining to his/her job in the place where and the manner in which the job is normally performed. This includes approved time off such as vacation, jury duty and funeral leave, but does not include time off as a result of an Injury or Sickness.

"Any Occupation" means an occupation normally performed in the national economy for which an Insured is reasonably suited based upon his/her education, training or experience.

"Claimant" means an Insured who makes a claim for benefits under this Policy for a loss covered by this Policy as a result of an Injury to or a Sickness of the Insured.

CLASS 1 & 2: "Covered Monthly Earnings" means the Insured's monthly salary received from you on the first of the Policy month just before the date of Total Disability. Covered Monthly Earnings do not include commissions, overtime pay, bonuses or any other special compensation not received as Covered Monthly Earnings.

If hourly paid employees are insured, the number of hours worked during a regular work week, not to exceed forty (40) hours per week, times 4.333, will be used to determine Covered Monthly Earnings. If an employee is paid on an annual basis, then the Covered Monthly Earnings will be determined by dividing the basic annual salary by 12.

CLASS 3: "Covered Monthly Earnings" means the Insured's monthly salary received from you on the first of the Policy month just before the date of Total Disability, prior to any deductions to a 403(b) or Section 125 plan. Covered Monthly Earnings do not include commissions, overtime pay, bonuses or any other special compensation not received as Covered Monthly Earnings.

If hourly paid employees are insured, the number of hours worked during a regular work week, not to exceed forty (40) hours per week, times 4.333, will be used to determine Covered Monthly Earnings. If an employee is paid on an annual basis, then the Covered Monthly Earnings will be determined by dividing the basic annual salary by 12.

"Eligible Person" means a person who meets the Eligibility Requirements of this Policy.

"Elimination Period" means a period of consecutive days of Total Disability, as shown on the Schedule of Benefits page, for which no benefit is payable. It begins on the first day of Total Disability.

Interruption Period: If, during the Elimination Period, an Insured returns to Active Work for less than 30 days, then the same or related Total Disability will be treated as continuous. Days that the Insured is Actively at Work during this interruption period will not count towards the Elimination Period. This interruption of the Elimination Period will not apply to an Insured who becomes eligible under any other group long term disability insurance plan.

"Full-time" means working for you for a minimum of 30 hours during a person's regular work week.

"Hospital" or "Institution" means a facility licensed to provide care and treatment for the condition causing the Insured's Total Disability.

"Injury" means bodily Injury resulting directly from an accident, independent of all other causes. The Injury must cause Total Disability which begins while insurance coverage is in effect for the Insured.

"Insured" means a person who meets the Eligibility Requirements of this Policy and is enrolled for this insurance.

"Physician" means a duly licensed practitioner who is recognized by the law of the state in which treatment is received as qualified to treat the type of Injury or Sickness for which claim is made. The Physician may not be the Insured or a member of his/her immediate family.

"Premium" means the amount of money needed to keep this Policy in force.

"Regular Care" means Treatment that is administered as frequently as is medically required according to guidelines established by nationally recognized authorities, medical research, healthcare organizations, governmental agencies or rehabilitative organizations. Care must be rendered personally by the Insured's Physician according to generally accepted medical standards in the Insured's locality, be of a demonstrable medical value and be necessary to meet his/her basic health needs.

"Regular Occupation" means the occupation the Insured is routinely performing when Total Disability begins. We will look at the Insured's occupation as it is normally performed in the national economy, and not the unique duties performed for a specific employer or in a specific locale.

"Retirement Benefits" mean money which the Insured is entitled to receive upon early or normal retirement or disability retirement under:

- (1) any plan of a state, county or municipal retirement system, if such pension benefits include any credit for employment with you;
- (2) Retirement Benefits under the United States Social Security Act of 1935, as amended or under any similar plan or act; or
- (3) an employer's retirement plan where payments are made in a lump sum or periodically and do not represent contributions made by an Insured.

Retirement Benefits do not include:

- (1) a federal government employee pension benefit;
- (2) a thrift plan;
- (3) a deferred compensation plan;
- (4) an individual retirement account (IRA);
- (5) a tax sheltered annuity (TSA);
- (6) a stock ownership plan; or
- (7) a profit sharing plan; or
- (8) section 401(k), 403(b) or 457 plans.

"Sickness" means illness or disease causing Total Disability which begins while insurance coverage is in effect for the Insured. Sickness includes pregnancy, childbirth, miscarriage or abortion, or any complications therefrom.

"Totally Disabled" and "Total Disability" mean, that as a result of an Injury or Sickness:

- (1) during the Elimination Period and for the first 24 months for which a Monthly Benefit is payable, an Insured cannot perform the material duties of his/her Regular Occupation;
 - (a) "Partially Disabled" and "Partial Disability" mean that as a result of an Injury or Sickness an Insured is capable of performing the material duties of his/her Regular Occupation on a part-time basis or some of the material duties on a full-time basis. An Insured who is Partially Disabled will be considered Totally Disabled, except during the Elimination Period;
 - (b) "Residual Disability" means being Partially Disabled during the Elimination Period. Residual Disability will be considered Total Disability; and
- (2) after a Monthly Benefit has been paid for 24 months, an Insured cannot perform the material duties of Any Occupation. We consider the Insured Totally Disabled if due to an Injury or Sickness he or she is capable of only performing the material duties on a part-time basis or part of the material duties on a Full-time basis.

If an Insured is employed by you and requires a license for such occupation, the loss of such license for any reason does not in and of itself constitute "Total Disability".

"Treatment" means care consistent with the diagnosis of the Insured's Injury or Sickness that has its purpose of maximizing the Insured's medical improvement. It must be provided by a Physician whose specialty or experience is most appropriate for the Injury or Sickness and conforms with generally accepted medical standards to effectively manage and treat the Insured's Injury or Sickness.

We reserve the right to examine these records at the place where they are kept during normal business hours or at a place mutually agreeable to you and us. Such records must be maintained by you for at least 3 years after this Policy terminates.

TRANSFER OF INSURANCE COVERAGE

If an employee was covered under any group long term disability insurance plan maintained by you prior to this Policy's Effective Date, that employee will be insured under this Policy, provided that he/she is Actively At Work and meets all of the requirements for being an Eligible Person under this Policy on its Effective Date.

If an employee was covered under the prior group long term disability insurance plan maintained by you prior to this Policy's Effective Date, but was not Actively at Work due to Injury or Sickness on the Effective Date of this Policy and would otherwise qualify as an Eligible Person, coverage will be allowed under the following conditions:

- (1) The employee must have been insured with the prior carrier on the date of the transfer; and
- (2) Premiums must be paid; and
- (3) Total Disability must begin on or after this Policy's Effective Date.

If an employee is receiving long term disability benefits, becomes eligible for coverage under another group long term disability insurance plan, or has a period of recurrent disability under the prior group long term disability insurance plan, that employee will not be covered under this Policy. If premiums have been paid on the employee's behalf under this Policy, those premiums will be refunded.

Pre-existing Conditions Limitation Credit

If an employee is an Eligible Person on the Effective Date of this Policy, any time used to satisfy the Pre-existing Conditions Limitation of the prior group long term disability insurance plan will be credited towards the satisfaction of the Pre-existing Conditions Limitation of this Policy.

GENERAL PROVISIONS

ENTIRE CONTRACT: The entire contract between you and us is this Policy, your Application (a copy of which is attached at issue) and any attached amendments.

CHANGES: No agent has authority to change or waive any part of this Policy. To be valid, any change or waiver must be in writing, signed by either our President, a Vice President, or a Secretary. The change or waiver must also be attached to this Policy.

TIME LIMIT ON CERTAIN DEFENSES: After this Policy has been in force for two (2) years from its Effective Date, no statement made by you shall be used to void this Policy; and no statement by any Insured on a written application for insurance shall be used to reduce or deny a claim after the Insured's insurance coverage, with respect to which claim has been made, has been in effect for two (2) years.

RECORDS MAINTAINED: You must maintain records of all Insureds. Such records must show the essential data of the insurance, including new persons, terminations, changes, etc. This information must be reported to us regularly. We reserve the right to examine the insurance records maintained at the place where they are kept. This review will only take place during normal business hours.

CLERICAL ERROR: Clerical errors in connection with this Policy or delays in keeping records for this Policy, whether by you, us, or the Plan Administrator:

- (1) will not terminate insurance that would otherwise have been effective; and
- (2) will not continue insurance that would otherwise have ceased or should not have been in effect.

If appropriate, a fair adjustment of premium will be made to correct a clerical error.

MISSTATEMENT OF AGE: If an Insured's age is misstated, the Premium will be adjusted. If the Insured's benefit is affected by the misstated age, it will also be adjusted. The benefit will be changed to the amount the Insured is entitled to at his/her correct age.

NOT IN LIEU OF WORKERS' COMPENSATION: This Policy is not a Workers' Compensation Policy. It does not provide Workers' Compensation benefits.

CONFORMITY WITH STATE LAWS: Any section of this Policy, which on its Effective Date, conflicts with the laws of the state in which this Policy is issued, is amended by this provision. This Policy is amended to meet the minimum requirements of those laws.

CERTIFICATE OF INSURANCE: We will send to you an individual certificate for each Insured. The certificate will outline the insurance coverage, state this Policy's provisions that affect the Insured, and explain to whom benefits are payable.

TERMINATION OF THIS POLICY: You may cancel this Policy at any time by giving us written notice. This Policy will be cancelled on the date we receive your notice or, if later, the date requested in your notice.

This Policy will terminate at the end of the Grace Period if Premium has not been paid by that date.

We may cancel this Policy within thirty-one (31) days of written notice prior to the date of cancellation, only:

- (1) if the number of Insureds is less than the Minimum Participation Number shown on the Schedule of Benefits; or
- (2) if the percentage of Eligible Persons insured is less than the Minimum Participation Percentage shown on the Schedule of Benefits.

You will still owe us any Premium that is not paid up to the date this Policy is cancelled. We will return, pro-rata, any part of the Premium paid beyond the date this Policy is cancelled.

Termination of this Policy will not affect any claim which was covered prior to termination, subject to the terms and conditions of this Policy.

CLAIMS PROVISIONS

NOTICE OF CLAIM: Written notice must be given to us within thirty-one (31) days after a Total Disability covered by this policy occurs, or as soon as reasonably possible. The notice should be sent to us at our Administrative Office or to our authorized agent. The notice should include your name, the Policy Number and the Insured's name.

CLAIM FORMS: When we receive the notice of claim, we will send the Claimant the claim forms to file with us. We will send them within fifteen (15) days after we receive notice. If we do not, then proof of Total Disability will be met by giving us a written statement of the type and extent of the Total Disability. The statement must be sent within ninety (90) days after the loss began.

WRITTEN PROOF OF TOTAL DISABILITY: For any Total Disability covered by this Policy, written proof must be sent to us within ninety (90) days after the Total Disability occurs. If written proof is not given in that time, the claim will not be invalidated nor reduced if it is shown that written proof was given as soon as was reasonably possible. In any event, proof must be given within one (1) year after the Total Disability occurs, unless the Claimant is legally incapable of doing so.

PAYMENT OF CLAIMS: When we receive written proof of Total Disability covered by this Policy, we will pay any benefits due. Benefits that provide for periodic payment will be paid for each period as we become liable.

We will pay benefits to the Insured, if living, or else to his/her estate.

If the Insured has died and we have not paid all benefits due, we may pay up to \$1,000.00 to any relative by blood or marriage, or to the executor or administrator of the Insured's estate. The payment will only be made to persons entitled to it. An expense incurred as a result of the Insured's last illness, death or burial will entitle a person to this payment. The payments will cease when a valid claim is made for the benefit. We will not be liable for any payment we have made in good faith.

Reliance Standard Life Insurance Company shall serve as the claims review fiduciary with respect to the insurance policy and the Plan. The claims review fiduciary has the discretionary authority to interpret the Plan and the insurance policy and to determine eligibility for benefits. Decisions by the claims review fiduciary shall be complete, final and binding on all parties.

ARBITRATION OF CLAIMS: Any claim or dispute arising from or relating to our determination regarding the Insured's Total Disability may be settled by arbitration when agreed to by the Insured and us in accordance with the Rules for Health and Accident Claims of the American Arbitration Association or by any other method agreeable to the Insured and us. In the case of a claim under an Employee Retirement Income Security Act (hereinafter referred to as ERISA) Plan, the Insured's ERISA claim appeal remedies, if applicable, must be exhausted before the claim may be submitted to arbitration. Judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction over such awards.

Unless otherwise agreed to by the Insured and us, any such award will be binding on the Insured and us for a period of twelve (12) months after it is rendered assuming that the award is not based on fraudulent information and the Insured continues to be Totally Disabled. At the end of such twelve (12) month period, the issue of Total Disability may again be submitted to arbitration in accordance with this provision.

Any costs of said arbitration proceedings levied by the American Arbitration Association or the organization or person(s) conducting the proceedings will be paid by us.

PHYSICAL EXAMINATION AND AUTOPSY: We will, at our expense, have the right to have a Claimant interviewed and/or examined:

- (1) physically;
- (2) psychologically; and/or
- (3) psychiatrically;

to determine the existence of any Total Disability which is the basis for a claim. This right may be used as often as it is reasonably required while a claim is pending.

We can have an autopsy made unless prohibited by law.

LEGAL ACTIONS: No legal action may be brought against us to recover on this Policy within sixty (60) days after written proof of loss has been given as required by this Policy. No action may be brought after three (3) years (Kansas, five (5) years; South Carolina, six (6) years) from the time written proof of loss is received.

INDIVIDUAL ELIGIBILITY, EFFECTIVE DATE AND TERMINATION

GENERAL GROUP: The general group will be your employees and employees of any subsidiaries, divisions or affiliates named on the Schedule of Benefits page.

ELIGIBILITY REQUIREMENTS: A person is eligible for insurance under this Policy if he/she is a member of an Eligible Class, as shown on the Schedule of Benefits page.

EFFECTIVE DATE OF INDIVIDUAL INSURANCE: If you pay the entire Premium due for an Eligible Person, the insurance for such Eligible Person will go into effect on the Individual Effective Date, as shown on the Schedule of Benefits page.

If an Eligible Person pays a part of the Premium, he/she must apply in writing for the insurance to go into effect. He/she will become insured on the latest of:

- (1) the Individual Effective Date as shown on the Schedule of Benefits page, if he/she applies on or before that date;
- (2) on the date he/she applies, if he/she applies within thirty-one (31) days from the date he/she first met the Eligibility Requirements; or
- (3) on the date we approve any required proof of health acceptable to us. We require this proof if a person applies:
 - (a) after thirty-one (31) days from the date he/she first met the Eligibility Requirements; or
 - (b) after he/she terminated this insurance but remained in an Eligible Class as shown on the Schedule of Benefits page.

The insurance for an Eligible Person will not go into effect on a date he/she is not Actively at Work because of a Sickness or Injury. The insurance will go into effect after the person is Actively at Work for one (1) full day in an Eligible Class, as shown on the Schedule of Benefits page.

TERMINATION OF INDIVIDUAL INSURANCE: The insurance of an Insured will terminate on the first of the following to occur:

- (1) the date this Policy terminates;
- (2) the date the Insured ceases to meet the Eligibility Requirements;
- (3) the end of the period for which Premium has been paid for the Insured; or
- (4) the date the Insured enters military service (not including Reserve or National Guard).

INDIVIDUAL REINSTATEMENT: The insurance of a terminated person may be reinstated if he/she returns to Active Work with you within the period of time as shown on the Schedule of Benefits page. He/she must also be a member of an Eligible Class, as shown on the Schedule of Benefits page, and have been:

- (1) on a leave of absence approved by you; or
- (2) on temporary lay-off.

The person will not be required to fulfill the Eligibility Requirements of this Policy again. The insurance will go into effect after he/she returns to Active Work for one (1) full day. If a person returns after having resigned or having been discharged, he/she will be required to fulfill the Eligibility Requirements of this Policy again. If a person returns after terminating insurance at his/her request or for failure to pay Premium when due, proof of health acceptable to us must be submitted before he/she may be reinstated.

PREMIUMS

PREMIUM PAYMENT: All Premiums are to be paid by you to us, or to an authorized agent, on or before the due date. The Premium Due Dates are stated on this Policy's face page.

PREMIUM RATE: The Premium due will be the rate per \$100.00 of the entire amount of Covered Monthly Earnings then in force. We will furnish to you the Premium Rate on this Policy's Effective Date and when it is changed. We have the right to change the Premium Rate:

- (1) when the extent of coverage is changed by amendment;
- (2) on any Premium Due Date after the second Policy Anniversary; or
- (3) on any Premium Due Date on or after the first Policy Anniversary if your entire group's Covered Monthly Earnings changes by 25% or more from such group's Covered Monthly Earnings on this Policy's Effective Date.

We will not change the Premium Rate due to (2) or (3) above more than once in any twelve (12) month period. We will tell you in writing at least thirty-one (31) days before the date of a change due to (2) or (3) above.

GRACE PERIOD: You may pay the Premium up to thirty-one (31) days after the date it is due. This Policy stays in force during this time. If the Premium is not paid during the grace period, this Policy will terminate. You will still owe us the Premium up to the date this Policy terminates.

WAIVER OF PREMIUM: No Premium is due us for an Insured while he/she is receiving Monthly Benefits from us. Once Monthly Benefits cease due to the end of his/her Total Disability, Premium payments must begin again if insurance is to continue.

REINSTATEMENT: If any renewal premium is not paid within the time granted for payment, a subsequent acceptance of premium by us or by any agent duly authorized by us to accept such premium, without requiring an application for reinstatement, will reinstate the policy. However, if we or our agent require an application for reinstatement, and a conditional receipt for the premium tendered is issued, this policy will be reinstated upon approval of such application by us, or lacking such approval, upon the forty-fifth day following the date of the conditional receipt unless we previously notified you in writing of our disapproval of such application. The reinstated policy will cover only loss resulting from such accidental injury as may be sustained after the date of the reinstatement and loss due to such sickness as may begin more than 10 days after such date. In all other respects, you and we will have the same rights under this Policy that we had immediately before the due date of the defaulted premium, subject to any provisions endorsed on or attached to this Policy in connection with the reinstatement. Any premium accepted in connection with a reinstatement will be applied to a period for which premium has not been previously paid, but not to any period more than 60 days prior to the date of reinstatement.

 - (a) an Insured is eligible to receive because of his/her Total Disability or eligibility for Retirement Benefits; and
 - (b) an Insured's dependents are eligible to receive due to (a) above.

Disability and early Retirement Benefits will be offset only if such benefits are elected by the Insured or do not reduce the amount of his/her accrued normal Retirement Benefits then funded.

Retirement Benefits under number 7 above will not apply to disabilities which begin after age 70 for those Insureds already receiving Social Security Retirement Benefits while continuing to work beyond age 70.

Benefits above will be estimated if the benefits:

- (1) have not been applied for; or
- (2) have been applied for and a decision is pending; or
- (3) have been denied and the denial may be appealed.

The Monthly Benefit will be reduced by the estimated amount. If benefits have been estimated, the Monthly Benefit will be adjusted when we receive proof:

- (1) of the amount awarded; or
- (2) that benefits have been denied and the denial cannot be further appealed.

If we have underpaid any benefit for any reason, we will make a lump sum payment. If we have overpaid any benefit for any reason, the overpayment must be repaid to us. At our option, we may reduce the Monthly Benefit or ask for a lump

sum refund. If we reduce the Monthly Benefit, the Minimum Monthly Benefit, if any, as shown on the Schedule of Benefits page, would not apply. Interest does not accrue on any underpaid or overpaid benefit unless required by applicable law.

For each day of a period of Total Disability less than a full month, the amount payable will be 1/30th of the Monthly Benefit.

COST OF LIVING FREEZE: After the initial deduction for any Other Income Benefits, the Monthly Benefit will not be further reduced due to any cost of living increases payable under these Other Income Benefits.

LUMP SUM PAYMENTS: If Other Income Benefits are paid in a lump sum, the sum will be prorated over the period of time to which the Other Income benefits apply. If no period of time is given, the sum will be prorated over sixty (60) months.

TERMINATION OF MONTHLY BENEFIT: The Monthly Benefit will stop on the earliest of:

- (1) the date the Insured ceases to be Totally Disabled;
- (2) the date the Insured dies;
- (3) the Maximum Duration of Benefits, as shown on the Schedule of Benefits page, has ended; or
- (4) the date the Insured fails to furnish the required proof of Total Disability.

RECURRENT DISABILITY: If, after a period of Total Disability for which benefits are payable, an Insured returns to Active Work for at least six (6) consecutive months, any recurrent Total Disability for the same or related cause will be part of a new period of Total Disability. A new Elimination Period must be completed before any further Monthly Benefits are payable.

If an Insured returns to Active Work for less than six (6) months, a recurrent Total Disability for the same or related cause will be part of the same Total Disability. A new Elimination Period is not required. Our liability for the entire period will be subject to the terms of this Policy for the original period of Total Disability.

This Recurrent Disability section will not apply to an Insured who becomes eligible for insurance coverage under any other group long term disability insurance plan.

WORKSITE MODIFICATION PROVISION

If an Insured is Totally Disabled, participating in a rehabilitation program and receiving a Monthly Benefit and he/she is able to return to Active Work should you make a modification to the Insured's worksite, then you may be eligible for Worksite Modification Reimbursement.

You will be reimbursed for 100% of the actual and reasonable expenses paid for eligible worksite modifications to accommodate the Insured's return to Active Work, up to a maximum reimbursement of \$2,000.00.

Eligible worksite modifications include:

1. providing the Insured with a more accessible parking space or entrance; or
2. removing items from the worksite which represent barriers or hazards to the Insured; or
3. special seating, furniture or equipment for the Insured's work station; or
4. providing special training materials or translation services during the Insured's training; or
5. any other services that we deem necessary to help the Insured return to Active Work with you.

In order for this reimbursement to be payable, the Insured must have a Total Disability that results solely from the Insured's inability to perform his or her Regular Occupation at your worksite. The Insured must also have the physical and mental abilities needed to perform his or her Regular Occupation or another occupation at your worksite, but only with the help of the proposed worksite modification.

A worksite modification may first be proposed by either you, the Insured or his or her Physician, or by us. A written proposal must then be developed with input from you, the Insured or his or her Physician. The proposal must state the purpose of the proposed worksite modification, the times, dates and costs of the modifications. Any proposal must be in writing and is subject to our approval, your approval and the approval of the Insured prior to any reimbursement being paid.

Once the worksite modification has been approved in writing, you must make the worksite modification. Upon receipt of proof satisfactory to us that the modifications for the Insured have been made as approved and you have paid the person or organization that provided the worksite modification, we will then reimburse you up to the limit shown above.

EXCLUSIONS

We will not pay a Monthly Benefit for any Total Disability caused by:

- (1) an act of war, declared or undeclared; or
- (2) an intentionally self-inflicted Injury; or
- (3) the Insured committing a felony; or
- (4) an Injury or Sickness that occurs while the Insured is confined in any penal or correctional institution.

LIMITATIONS

PRE-EXISTING CONDITIONS: Benefits will not be paid for a Total Disability:

- (1) caused by;
- (2) contributed to by; or
- (3) resulting from;

a Pre-existing Condition unless the Insured has been Actively at Work for one (1) full day following the end of twelve (12) consecutive months from the date he/she became an Insured.

"Pre-Existing Condition" means any Sickness or Injury for which the Insured received medical Treatment, consultation, care or services, including diagnostic procedures, or took prescribed drugs or medicines, during the three (3) months immediately prior to the Insured's effective date of insurance.

SPECIFIC INDEMNITY BENEFIT

If the Insured suffers any one of the Losses listed below from an accident resulting in an Injury, we will pay a guaranteed minimum number of Monthly Benefit payments, as shown below. However:

- (1) the Loss must occur within one hundred and eighty (180) days; and
- (2) the Insured must live past the Elimination Period.

<u>For Loss of:</u>	<u>Number of Monthly Benefit Payments:</u>
Both Hands	46 Months
Both Feet	46 Months
Entire Sight in Both Eyes	46 Months
Hearing in Both Ears	46 Months

One Arm	35 Months
One Leg	35 Months

"Loss(es)" with respect to:

- (1) hand or foot, means the complete severance through or above the wrist or ankle joint;
- (2) arm or leg, means the complete severance through or above the elbow or knee joint; or
- (3) sight, speech or hearing, means total and irrecoverable Loss thereof.

If more than one (1) Loss results from any one accident, payment will be made for the Loss for which the greatest number of Monthly Benefit payments is provided.

The amount payable is the Monthly Benefit, as shown on the Schedule of Benefits page, with no reduction from Other Income Benefits. The number of Monthly Benefit payments will not cease if the Insured returns to Active Work.

If death occurs after we begin paying Monthly Benefits, but before the Specific Indemnity Benefit has been paid according to the above schedule, the balance remaining at time of death will be paid to the Insured's estate, unless a beneficiary is on record with us under this Policy.

Benefits may be payable longer than shown above as long as the Insured is still Totally Disabled, subject to the Maximum Duration of Benefits, as shown on the Schedule of Benefits page.

SURVIVOR BENEFIT - LUMP SUM

We will pay a benefit to an Insured's Survivor when we receive proof that the Insured died while:

- (1) he/she was receiving Monthly Benefits from us; and
- (2) he/she was Totally Disabled for at least one hundred and eighty (180) consecutive days.

The benefit will be an amount equal to 3 times the Insured's last Monthly Benefit. The last Monthly Benefit is the benefit the Insured was eligible to receive right before his/her death. It is not reduced by wages earned while in Rehabilitative Employment.

"Survivor" means an Insured's spouse. If the spouse dies before the Insured or if the Insured was legally separated, then the Insured's natural, legally adopted or step-children, who are under age twenty-five (25) will be the Survivor(s). If there are no eligible Survivors, payment will be made to the Insured's estate, unless a beneficiary is on record with us under this Policy.

A benefit payable to a minor may be paid to the minor's legally appointed guardian. If there is no guardian, at our option, we may pay the benefit to an adult that has, in our opinion, assumed the custody and main support of the minor. We will not be liable for any payment we have made in good faith.

COST OF LIVING BENEFIT

If the Consumer Price Index (CPI-W) published by the United States Department of Labor increases while an Insured is receiving Monthly Benefits from us, an additional benefit will be payable. The Cost of Living Benefit will be payable during any of the first ten (10) years, following satisfaction of the Elimination Period, in which the Consumer Price Index increases.

Percentage increases in the Consumer Price Index will be calculated by us each year. The increase will be based on a comparison of published annual Consumer Price Index statistics in October of each year. If the Consumer Price Index is changed or no longer published, the most comparable index (in our opinion) then published will be used for these purposes.

This Cost of Living Benefit payable will be the lesser of the following, multiplied by the Monthly Benefit the Insured is currently receiving:

- (1) 3%; or
- (2) the most recently determined annual percentage increase in the Consumer Price Index.

This amount will be added to the Insured's Monthly Benefit and will be payable while the Insured continues to be entitled to Monthly Benefits.

The first Cost of Living Benefit increase will become effective on:

- (1) the January 1st of the first year following the year in which the Elimination Period was satisfied; or
- (2) the date the Consumer Price Index is first determined to have increased.

WORK INCENTIVE AND CHILD CARE BENEFITS

WORK INCENTIVE BENEFIT

During the first twelve (12) months of Rehabilitative Employment during which a Monthly Benefit is payable, we will not offset earnings from such Rehabilitative Employment until the sum of:

- (1) the Monthly Benefit prior to offsets with Other Income Benefits; and
- (2) earnings from Rehabilitative Employment;

exceed 100% of the Insured's Covered Monthly Earnings. If the sum above exceeds 100% of Covered Monthly Earnings, our Benefit Amount will be reduced by such excess amount until the sum of (1) and (2) above equals 100%.

CHILD CARE BENEFIT

We will allow a Child Care Benefit to an Insured if:

- (1) the Insured is receiving benefits under the Work Incentive Benefit;
- (2) the Insured's Child(ren) is (are) under 14 years of age;
- (3) the child care is provided by a non-relative; and
- (4) the charges for child care are documented by a receipt from the caregiver, including social security number or taxpayer identification number.

During the twelve (12) month period in which the Insured is eligible for the Work Incentive Benefit, an amount equal to actual expenses incurred for child care, up to a maximum of \$250.00 per month, will be added to the Insured's Covered Monthly Earnings when calculating the Benefit Amount under the Work Incentive Benefit.

Child(ren) means: the Insured's unmarried child(ren), including any foster child, adopted child or step child who resides in the Insured's home and is financially dependent on the Insured for support and maintenance.

FAMILY AND MEDICAL LEAVE OF ABSENCE BENEFIT

We will allow the Insured's coverage to continue, for up to 12 weeks in a 12 month period, if he/she is eligible for, and you have approved, a Family and Medical Leave of Absence under the terms of the Family and Medical Leave Act of 1993, as amended, for any of the following reasons:

- (1) To provide care after the birth of a son or daughter; or
- (2) To provide care for a son or daughter upon legal adoption; or
- (3) To provide care after the placement of a foster child in the Insured's home; or
- (4) To provide care to a spouse, son, daughter, or parent due to serious illness; or
- (5) To take care of his/her own serious health condition as explained below.

If the Insured, due to his/her own serious health condition, meets the definition of Total Disability as well as all other requirements in this Policy, he/she will be considered Totally Disabled and eligible to receive a Monthly Benefit. All premiums will be waived as long as he/she is receiving such Monthly Benefit. If the Insured, due to his/her own serious health condition, is working on a reduced leave schedule or an intermittent leave schedule, as described by the Family and Medical Leave Act of 1993, as amended, but is not considered Totally Disabled under this Policy, premium payments will be continued under this benefit.

The Insured will not qualify for the Family and Medical Leave of Absence Benefit unless we have received proof from you, in a form satisfactory to us, that the Insured has been granted a leave under the terms of the Family and Medical Leave Act of 1993, as amended. Such proof: (1) must outline the terms of the Insured's leave; and (2) give the date the leave began; and (3) the date it is expected to end; and (4) must be received by us within thirty-one (31) days after a claim for benefits has been filed with us.

If you grant the Insured a Family and Medical Leave of Absence, the following applies to the Insured who has been granted the leave:

- (1) While the Insured is on an approved Family and Medical Leave of Absence, the required premium must be paid according to the terms specified in this Policy to keep the insurance in force.
- (2) While the Insured is on an approved Family and Medical Leave of Absence, he will be considered Actively at Work in all instances unless such leave is due to his/her own illness, injury, or disability. Changes such as revisions to coverage because of age, class, or salary changes will apply during the leave except that increases in amount of insurance, whether automatic or subject to election, are not effective for an Insured who is not Actively at Work until such time as he/she returns to Active Work for one full day.
- (3) If the Insured becomes Totally Disabled while on a Family and Medical Leave of Absence, any Monthly Benefit which becomes payable will be based on the Insured's Covered Monthly Earnings received from you immediately prior to the date of Total Disability.
- (4) Coverage will terminate for any Insured who does not return to work as scheduled according to the terms of his/her agreement with you. In no case will coverage be extended under this benefit beyond twelve (12) weeks in a twelve (12) month period. Insurance will not be terminated for an Insured who becomes Totally Disabled during the period of the leave and who is eligible for benefits according to the terms of this Policy.

All other terms and conditions of this Policy will remain in force while an Insured is on an approved Family and Medical Leave of Absence.

MILITARY SERVICES LEAVE OF ABSENCE COVERAGE

We will allow the Insured's coverage to continue, for up to 12 weeks in a 12 month period, if the Insured enters the military service of the United States. While the Insured is on a Military Services Leave of Absence, the required premium must be paid according to the terms specified in this Policy to keep the insurance in force. Changes such as revisions to coverage because of age, class or salary changes will apply during the leave except that increases in amount of insurance, whether automatic or subject to election, are not effective for such an Insured until he/she has returned to work from Military Services Leave of Absence for one full day. All other terms and conditions of this Policy will remain in force during this continuation period. The Insured's continued coverage will cease on the earliest of the following dates:

- (1) the date this Policy terminates; or
- (2) the date ending the last period for which any required premium was paid; or
- (3) 12 weeks from the date the Insured's continued coverage began.

This Policy, however, does not cover any loss which occurs while on active duty in the military service if such loss is caused by or arises out of such military service, including but not limited to war or act of war (whether declared or undeclared) and is also subject to any other exclusions listed in the Exclusions provision.

EXTENDED DISABILITY BENEFIT

We will pay an Extended Disability Benefit to an Insured if the Insured:

- (1) meets all the requirements of Total Disability of this Policy; and
- (2) is receiving a Total Disability Benefit under this Policy that will be exhausted because the Maximum Duration of Benefits has ended; and

 - (a) confined as an Inpatient in a Skilled Nursing Home, Rehabilitation Facility or Rehabilitative Hospital in which patients receive care from licensed medical professionals; or
 - (b) receiving Home Health Care or Hospice Care; and

The Extended Disability Benefit:

- (1) will be an amount equal to 85% of the Monthly Benefit after offsets with Other Income Benefits which was payable prior to the Insured qualifying for the Extended Disability Benefit up to a maximum of \$5,000 per month; and
- (2) is payable for a maximum of sixty (60) months measured from the date that the Maximum Duration of Benefits has ended.

"Home Health Care" means medical and non-medical services, provided in an Insured's residence due to Injury or Sickness, including: visiting nurse services; physical, respiratory, occupational or speech therapy; nutritional counseling; and home health aide services. Home Health Care services must be: (1) prescribed by and provided under the supervision of a Physician; and (2) rendered by a licensed home health care provider who is not a member of the Insured's immediate family. Home Health Care does not include: homemaker, companion and home delivered meals services; nor informal care services provided by family members of the Insured.

"Hospice Care" means a program of care which coordinates the special needs of a person with a Terminal Illness. Hospice Care must be: (1) prescribed by and provided under the supervision of a Physician; and (2) rendered by a licensed hospice care provider who is not a member of the Insured's immediate family.

“Inpatient” means a person confined in a Skilled Nursing Home, Rehabilitation Facility or Rehabilitative Hospital, for whom a daily room and board charge is made.

“Pre-existing Condition” means with respect to the Extended Disability Benefit only, any Sickness or Injury for which the Insured received medical treatment, consultation, care or services, including diagnostic procedures, or took prescribed drugs or medicines, during the twelve (12) months immediately preceding the Insured’s effective date of insurance.

“Rehabilitation Facility or Rehabilitative Hospital” means any facility or Hospital that is licensed in the state in which it is operating to provide rehabilitation services, therapy or retraining to the Insured to enable him or her to walk, communicate, and/or function as a member of society.

“Written Request” means a request made, in writing, by the Insured to us.

Pre-existing Conditions Limitation:

With respect to the Extended Disability Benefit only, benefits will not be paid for a Total Disability:

- (1) caused by;
- (2) contributed to by; or
- (3) resulting from;

a Pre-existing Condition unless the Insured has been Actively at Work for one (1) full day following the end of twenty-four (24) consecutive months measured from the Insured’s effective date of insurance with us.

No benefits will be paid under the Extended Disability Benefit if the Insured’s Total Disability occurred before the Insured’s effective date of insurance with us.

The Extended Disability Benefit will cease to be payable on the earliest of the following dates:

- (1) the date the Insured dies; or
- (2) the date the Insured no longer meets the requirements of Total Disability of this Policy; or

The Extended Disability Benefit will not be payable for Total Disability which is caused by or results from conditions for which Monthly Benefits are specifically limited by this Policy such as Mental or Nervous Disorders, alcoholism, drug addiction, or other Substance Abuse, musculoskeletal and connective tissue disorders, chronic fatigue syndrome, Environmental Allergic or Reactive Illness, or Self-Reported Conditions.

If this Policy contains a Survivor Benefit, Activities of Daily Living Benefit (ADL), Catastrophic Care Benefit, Supplemental Pension Benefit, Living Benefit, Cost of Living Benefit or a Conversion Privilege, such benefits are not applicable when receiving benefits under the Extended Disability Benefit.

REHABILITATION BENEFIT

"Rehabilitative Employment" means work in any gainful occupation for which the Insured's training, education or experience will reasonably allow. The work must be supervised by a Physician or a licensed or certified rehabilitation specialist approved by us. Rehabilitative Employment includes work performed while Partially Disabled, but does not include performing all the material duties of his/her Regular Occupation on a full-time basis.

If an Insured is receiving a Monthly Benefit because he/she is considered Totally Disabled under the terms of this Policy and is able to perform Rehabilitative Employment, we will continue to pay the Monthly Benefit less an amount equal to 50% of earnings received through such Rehabilitative Employment.

An Insured will be considered able to perform Rehabilitative Employment if a Physician or licensed or certified rehabilitation specialist approved by us determines that he/she can perform such employment.

FUNDING BENEFIT IN EVENT OF COBRA CONTINUATION OF MEDICAL COVERAGE

DESCRIPTION OF COVERAGE: We will pay an additional monthly benefit as shown below if:

- (1) the Insured meets all the requirements of Total Disability of this Policy; and
- (2) he/she is receiving a Monthly Benefit from us due to such Total Disability; and
- (3) the Insured is enrolled in a medical plan sponsored by you; and
- (4) as a result of the Insured's Total Disability, COBRA continuation of medical coverage has been elected by the Insured and is in effect.

BENEFIT AMOUNT: The amount of the additional monthly benefit will be the lesser of:

- (1) \$1200; or
- (2) the amount of the COBRA premium required to continue medical coverage in force for the Insured and any dependents of the Insured;

however, in the event earnings from Rehabilitative Employment, the Monthly Benefit prior to offsets with Other Income Benefits and the additional monthly benefit payable hereunder while the Work Incentive Benefit is in effect exceeds 100% of the Insured's Covered Monthly Earnings, the amount payable under this benefit will be reduced to the extent required so that the total of earnings from Rehabilitative Employment, the Monthly Benefit prior to offsets with Other Income Benefits and this benefit will not exceed 100% of Covered Monthly Earnings.

Such additional monthly benefit is payable for twenty-nine (29) months or the length of time the Insured is covered under COBRA continuation of medical coverage, whichever is less.

This benefit will not be subject to reduction by Other Income Benefits. This additional benefit will not be included in the calculation of any other benefits under this Policy.

PAYMENT OF BENEFITS: With respect to this benefit only, we will pay any benefit due directly to you to pay the premium due to continue medical coverage for the Insured and any dependents of the Insured.

You must provide proof, satisfactory to us, that the Insured has elected to purchase COBRA continuation of medical coverage through you for himself and any dependents of the Insured before the first payment under this benefit is paid. You must also provide proof, satisfactory to us, that such COBRA continuation of medical coverage remains in effect for the Insured and any dependents of the Insured before each subsequent payment is made.

This benefit will not be payable if the Insured is receiving an Extended Disability Benefit.

We will not be liable for any payment we have made in good faith or termination of COBRA continuation of medical coverage due to non-payment of premium. You will be responsible for paying all COBRA premiums to your medical plan carrier in a timely manner regardless of when payments are processed under this benefit.

TERMINATION OF BENEFITS: Benefits will end under the Funding Benefit in Event of COBRA Continuation of Medical Coverage when:

- (1) the Insured is no longer Totally Disabled; or
- (2) the Insured is no longer eligible for COBRA continuation of medical coverage; or
- (3) all benefits hereunder have been exhausted; or
- (4) the total of earnings from Rehabilitative Employment, the Monthly Benefit prior to offsets with Other Income Benefits and the amount payable under this benefit while the Work Incentive Benefit is in effect exceeds 100% of Covered Monthly Earnings by the amount payable under this benefit; or
- (5) proof, satisfactory to us, that COBRA continuation of medical coverage is in effect for the Insured and any dependents of the Insured is not received; or
- (6) a Monthly Benefit under this Policy is no longer payable; or
- (7) the Maximum Duration of Benefits under this Policy has ended.

DEFINITION: "COBRA" means the Consolidated Omnibus Reconciliation Act of 1985, as then constituted and later amended.

IMPORTANT NOTICE

This Benefit in no way guarantees any rights to continue coverage under the provisions of COBRA. You are responsible for providing full and complete notice of any COBRA continuation offer regarding medical coverage.

The availability of this Benefit does not mean that the Insured does not have to elect COBRA continuation through you. **THIS BENEFIT IS NOT COBRA CONTINUATION.**
