

Continuity of Learning and COVID-19 Response Plan (“Plan”) Application Template

As a result of COVID-19 and the closing of school buildings for the 2019-2020 School Year, school districts must submit a Continuity of Learning and COVID-19 Response Plan (“Plan”) in order to continue to receive state aid for operations. Although schools are closed and not providing in-person instruction, teaching and learning must continue. Michigan educators have been called to provide our students with continued learning.

There are varied states of readiness to provide continuity in learning among districts. Even within districts of multiple school sites, there are varied states of readiness. It is expected that schools will provide instruction at a distance using a variety of methods that meet local needs, including printed materials, phone contact, email, virtual learning, or a combination to meet student needs. We should avoid assuming that continuity in learning can only occur through online means.

While many educators have been providing distance learning opportunities, the Governor’s Executive Order ([EO 2020-35](#)) requires all schools to begin providing learning opportunities for all students no later than April 28, 2020. Districts who are able to begin their plans earlier are encouraged to do so.

Each District shall submit a single completed Assurance Document, Budget Outline, and Continuity of Learning Plan to its Intermediate School District. Each Public School Academy shall submit a completed Assurance Document, Budget Outline, and Continuity of Learning Plan to its Authorizer. A single Application should be filed for the district rather than multiple applications for individual schools within a district. The following items are required for the application which may be submitted beginning April 8, 2020:

1. Assurances Document
2. Continuity of Learning Plan
3. Budget Outline

Continuity of Learning and COVID-19 Response Plan (“Plan”) Guiding Principles

As Districts and Public School Academies complete the Assurances and Continuity of Learning Plans, they should consider utilizing the following principles to guide their work:

Keep Students at the Center

Intentional outreach to continue building relationships and maintain connections. Help students feel safe and valued. At minimum, plan to do the following:

- **Plan for Student Learning:** Build on each student’s strengths, interests, and needs and use this knowledge to positively affect learning.
- **Develop a Weekly Plan and Schedule:** Offer routines and structures for consistency and for the balancing of think time, work time, and play time for health and well-being.
- **Contact Families:** Partner to support student learning through ongoing communication and collaboration. This will not look the same for every student and family—safety remains the priority. Provide translations as necessary.

Design Learning for Equity and Access

Plan and deliver content in multiple ways so all students can access learning.

- **Teach Content:** Set goals using knowledge of each student, content area standards, and of Michigan Merit Curriculum.
- **Deliver Flexible Instruction:** Consider how to deliver content depending on tools and resources accessible to each student. Alternative modes of instruction may include use of online learning, telephone communications, email, virtual instruction, videos, slideshows, project-based learning, use of instructional packets, or a combination to meet diverse student needs.
- **Engage Families:** Communicate with families about engagement strategies to support students as they access the learning. Families are critical partners. Provide translations as necessary.

Assess Student Learning

Manage and monitor student learning and plan what’s next for learning including the potential need for summer and supplemental learning.

- **Check Student Learning:** Use a variety of strategies to monitor, assess, and provide feedback to students about their learning.
- **Make Instructional Adjustments:** Use formative assessment results to guide educators’ reflection on effectiveness of instruction and to determine next steps for student learning.
- **Engage Families:** Communicate with families about assessment results in order to inform next steps and the potential for supplemental summer learning. Provide translations as necessary.

Continuity of Learning and COVID-19 Response Plan (“Plan”)

The goal of a Continuity of Learning Plan and COVID-19 Response Plan is to ensure that each District or Public School Academy is providing, to the best of its ability, each student with alternative modes of instruction to help them stay on pace in their learning. This application recognizes that there is no “one-size-fits-all” solution; multiple means of engaging students and supporting families may be necessary that may vary by grade level, school building, or student population served.

For the purposes of the Plan, “district” refers to school districts and public school academies.
