

Mrs. Raible's First Grade Newsletter

Your child will need:

- A average size plastic pencil box– for their personal crayons, markers, pencils and scissors. This box will need to fit in their personal desk cubby.
- Poly-plastic folder with brads.
- 2- composition notebooks
- Small set of headphones
- A daily snack

Throughout the school year we go through many classroom supplies.

Donations of the following items are greatly appreciated.

- Pencils
- Crayons
- Glue Sticks
- Kleenex
- Hand Sanitizer
- Disinfecting wipes

**Columbiaville Elementary
School Mission Statement**
**All students, staff, and families
will guide our learning
communities to take
responsibility for their social,
emotional, and academic
growth so they may become
lifelong learners and respectful
members of society.**

Hello! My name is LeeAnn Raible and I will be your child's teacher this year. I am anticipating a wonderful school year with your child. This is my 19th year as a teacher with the LakeVille school district and I am prepared to help your child succeed as a first grader. Your child will be participating in a wide range of activities and will have many new and exciting experiences this year. It is my intent that each child will develop a sense of pride in themselves, in others and in their work.

They will have daily opportunities and challenges that will allow them to expand their academic skills and develop socially. I believe children are more successful when parents and teachers work as a team. I look forward to meeting and working with you to help your child to be a successful first grader.

During the school year you will receive a weekly newsletter informing you of all the happenings in our classroom and any upcoming events. You can also

contact me by:

- Email: lraible@lakevilleschools.org
- Teacher's Desk Voicemail: 810-538-3647
- School Office Phone: 810-538-3460

Access our district Website for information regarding:

- School District information
- District Calendar
